RE: FINAL ANTIDUMPING DUTY DETERMINATIONS ON COATED  
GROUNDWOOD PAPER FROM BELGIUM, FINLAND,  
FRANCE, GERMANY, UNITED KINGDOM

1. The Department of Commerce will publish on November 4, 1991, its final determinations of sales at less than fair value in the above investigations.

2. The product covered by these investigations is coated groundwood paper. Coated groundwood paper is currently provided for under HTS subheadings 4810.21.00.00, 4810.29.00.00, and 4823.59.40.40. For purposes of these investigations, coated groundwood paper is paper coated on both sides with kaolin (China

clay) or other inorganic substances (e.g., calcium carbonate), of which more than ten percent by weight of the total fiber content consists of fibers obtained by mechanical processes, regardless of 1) basis weight (e.g., pounds per ream or grams per one square meter sheet); 2) GE brightness; or 3) the form in which it is sold (e.g., reels, sheets, or other forms). "Paperboard" is specifically excluded from the scope of these investigations. For purposes of these investigations, paperboard is defined to be coated groundwood paper 12 points (0.012 inch) or more in thickness.

3. For further reporting purposes these cases have been assigned the following investigation numbers: Belgium (A-423-801), Finland (A-405-801), France (A-427-803), Germany (A-428-808), and United Kingdom (A-412-807).

4. For all export of coated groundwood paper from Belgium, Finland, France, Germany, and the United Kingdom, the Customs Service shall continue to suspend liquidation of such coated groundwood paper that is entered or withdrawn from warehouse on or after June 13, 1991, and shall require a cash deposit or the posting of a bond equal to the estimated final margin percentages listed below. The Department has determined that critical circumstances exist with respect to one Finish producer, United Paper Mills Ltd./Repola Oy (United/Repola). Therefore, for all exports of coated groundwood paper from Finland by United/Repola the Customs Service shall suspend liquidation of such entries of coated groundwood paper that are entered or withdrawn from warehouse on or after March 15, 1991, which is 90 days prior to the date of publication of the preliminary determination in the Federal Register, and shall require a cash deposit or the posting of a bond equal to the weighted-average margin percentage for United/Repola listed below. Note that exports of coated groundwood paper by United/Repola may be marked United Paper Mills Ltd., Rauma-Repola, or Repola Incorporated.
