RE: COUNTERVAILING DUTIES - BRASS SHEET AND STRIP
FROM BRAZIL - (C-351-604)

1. The Department of Commerce has completed its administrative review of the countervailing duty order on brass sheet and strip from Brazil and published the final results in the Federal Register on November 6, 1991 (56 FR 56631).
2. Imports covered by the review are shipments of brass sheet and strip, other than leaded brass and tin brass sheet and strip from Brazil. The chemical composition of the products under review is currently defined in the Copper Development

Association (C.D.A.) 200 series or the United Numbering System (U.N.S.) C20000 series. Products whose chemical compositions are defined by other C.D.A. or U.N.S. series are not covered by this review. The physical dimensions of the products covered by the order are brass sheet and strip of solid rectangular cross section over 0.006 inches (0.15 millimeters) through 0.188 inches (4.8 millimeters) in finished thickness or gauge, regardless of width. Coiled, wound on reel (traverse wound) and cut-to-length products are included.

During the review period, such merchandise was classifiable under item numbers 7409.21.00 and 7409.29.00 of the Harmonized Tariff Schedule.

3. Accordingly, for shipments of brass sheet and strip from Brazil entered, or withdrawn from warehouse, for consumption on or after November 6, 1991, you shall waive the collection of cash deposit of estimated countervailing duties. PLEASE NOTE, THIS IS EXCLUSIVE OF THE ANTI-DUMPING CASH DEPOSIT OF THIS ORDER.
4. These cash deposit requirements will remain in effect until publication of the final results of the next administrative review.

Do not liquidate any entries of this merchandise included in this administrative review until assessment instructions are received.

5. If there are any questions regarding this matter by Customs Officers, please contact Via E-Mail, through the Regional Antidumping\Countervailing Duty Coordinator, the Trade Compliance Division, Antidumping\Countervailing Duty Branch, using attribute "HQ OAB." The importing public and other interested parties should contact the Office of Countervailing Compliance, Import Administration, International Trade Administration, Department of Commerce
