RE: TUBELESS STEEL DISC WHEELS FROM BRAZIL
(A-351-606)

1. The Department of Commerce published in the Federal Register of April 5, 1991 (56 FR 14083) the final results of its administrative review of the antidumping duty order on tubeless steel disc wheels from Brazil. The review covers the period May 1, 1988 through April 30, 1989 and the manufacturer\exporter Borlem, S.A. Empreedimentos Industriais (Borlem).

2. Imports covered by the review are shipments of tubeless steel disc sheels from Brazil, designed to be mounted with

pneumatic tires which have a rim diameter of 22.5 inches or greater, suitable for use on class 6, 7, and 8 trucks, including tractors, and for use on semi-trailers and buses.

Through 1988, such merchandise was classifiable under item number 692.3230 of the Tariff Schedules of the United States Annotated. This merchandise is currently classifiable under item number 8716.90.50 of the Harmonized Tariff Schedule.

3. The dumping margin for Borlem (A-351-606-001) was found to be zero for the period May 1, 1988 through April 30, 1989.
4. Accordingly, all shipments of this merchandise entered, or withdrawn from warehouse, from May 1, 1988 through April 30, 1989 for Borlem (A-351-606-001), are free of dumping liability. You may appraise these shipments and liquidate the applicable entries by stamping each invoice with the wording "No Dumping Duties Due".
5. The provisions of section 778 of the Tariff Act require that interest be paid on overpayments or underpayments of amounts deposited as estimated countervailing duties. Such interest is payable at the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period. The interest shall be calculated at that rate from the date of payment of estimated duties through the date of liquidation.
6. Effective as of the date of issuance of these instructions, you should no longer suspend liquidation of entries covered by this period (May 1, 1988 through April 30, 1989) for Borlem and you should proceed with liquidation accordingly.
7. Customs officers shall waive cash deposits of estimated antidumping duties in accordance with our previous instructions issued in E-Mail 1109113 of April 19, 1991 (i.e., no cash deposit will be required for Borlem S.A. (A-351-606-001), do not liquidate). This deposit waiver will remain in effect until publication of the final results of

the next administrative review of the antidumping duty order on this merchandise.

8. If there are any questions regarding this matter by Customs officers, please contact via E-Mail, through the Regional Antidumping\Countervailing Duty Coordinator, the Trade Compliance Division, Antidumping\Countervailing Duty Branch, using attribute "HQ OAB." The importing public and other interested parties should contact the Office of Countervailing Compliance, Import Administration, International Trade Administration, Department of Commerce, (202) 377-2786.
9. There are no restrictions on the release of this information.
