RE: Correction of message 4036304, dated 02/05/2014 concerning the countervailing duty order on aluminum extrusions from the People's Republic of China (C-570-968).

1. This is a correction to message 4036304, dated 02/05/2014, to correct paragraphs 2a, 2b, and delete paragraph 9.

2. Paragraphs 2a and 2b of message 4036304 contain a list of companies. Most of the companies did not have case numbers in effect during the period of review 09/07/2010 through 12/31/2011, and were assigned new case numbers in December 2013. To correct the assessment instructions, we have added to paragraphs 2a and 2b, now renumbered 4a and 4b, the following language: "Entries of merchandise produced and/or exported by the above companies may have entered under C-570-968-000."

Paragraph 9 of message 4036304 contains information on the injunction with court number 13-00238 discussed in message number 3199306, dated 07/18/2013. The injunction discussed in paragraph 9 has dissolved and applicable liquidation instructions were sent in message number 4073306, dated 03/14/2014. Paragraph 9 concerning the injunction with court number 13-00238 is deleted in this correction message.

Below is the fully corrected message.
