2. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 1 occurred with publication of notice of rescission of administrative review (78 FR

25253, 04/30/2013). (See also notice of initiation (77 FR 77017, 12/31/2012), which lists all companies for which the review was initiated). Unless instructed otherwise, for all other shipments of seamless carbon and alloy steel standard, line, and pressure pipe from the People's Republic of China you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.

3. There are no injunctions applicable to the entries covered by this instruction.

4. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
