RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).

1. On 04/15/2013, in response to a request by 5 Diamond Promotions, Inc. ("5 Diamond"), Commerce issued a final scope determination that 5 Diamond's flag pole sets (consisting of three or four extruded aluminum sections that interlock), which 5 Diamond imports, are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China ("PRC") (A-570-967).
2. Because 5 Diamond's flag pole sets are comprised of extruded aluminum parts and do not meet any of the exclusions of the scope of the order, Commerce found 5 Diamond's flag pole sets to be within the scope of the order. Specifically, Commerce found that 5 Diamond's flag pole sets are not finished goods kits excluded from the scope of the order because the unassembled flag pole sections are shipped and imported in separately bundled packages, each of which does not contain all parts necessary to assemble a final finished product (i.e., the flag pole).
3. Continue to suspend liquidation of entries of aluminum extrusions from the PRC, including flag pole sets exported by 5 Diamond, described above, subject to the antidumping duty order on aluminum extrusions from the PRC.
