RE: Notice of preliminary determination and critical circumstances in the countervailing duty investigation of non-oriented electrical steel from the People's Republic of China (C-570-997)

1. On 03/25/2014, Commerce published in the Federal Register its preliminary affirmative determination, critical circumstances, and alignment of its final determination in the countervailing duty investigation of non-oriented electrical steel from the People's Republic of China from 06/02/2014 until no later than 07/29/2014, thereby aligning it with the due date for the final determination in the antidumping duty investigation of non-oriented electrical steel from the People's Republic of China (79 FR 16293).

2. The products covered by this investigation are described in message 3324301 dated 11/20/2013.

3. This investigation has been assigned investigation number C-570-997.

4. Because Commerce determined that critical circumstances exist for imports of non-oriented electrical steel from the People's Republic of China from all firms, CBP shall suspend liquidation of all appropriate entries of non-oriented electrical steel from the People's Republic of China that are entered, or withdrawn from warehouse, for consumption on or after 12/25/2013 which is 90 days before the date of publication of the preliminary determination in the Federal Register. Effective 12/25/2013, for entries of non-oriented electrical steel from the People's Republic of China from all firms, CBP shall require a cash deposit equal to the subsidy rates listed below:

Producer and/or Exporter: Baoshan Iron & Steel Co., Ltd.
