RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).

1. On 03/20/2013, in response to a request by Asia Sourcing Corporation ("ASC"), Commerce issued a final scope determination that three models of dock ladder kits, ASE, ASH, and DJX3-W, as well as strip door mounting brackets, which ASC imports, are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China ("PRC") (A-570-967).
2. Because ASC's three dock ladder kit models ASE, ASH, and DJX3-W, as well as ASC's strip door mounting brackets, do not contain non-extruded aluminum components beyond fasteners, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the PRC, including dock ladder kit models ASE, ASH, and DJX3-W, and strip door mounting brackets imported by ASC, described above, subject to the antidumping duty order on aluminum extrusions from the PRC.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O8:RS.)
5. There are no restrictions on the release of this information.
