Notice of Lifting of Suspension Date: 04/10/2013

RE: Countervailing duty scope determination on aluminum extrusions from the People's Republic of China (C-570-968).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Asia Sourcing Corporation ("ASC"). Commerce issued a final scope determination on 03/20/2013 that boat ladder kit model ESG2 and finished boat ladder model ASC4, which ASC imports, are not within the scope of the countervailing duty order on aluminum extrusions from the People's Republic of China ("PRC") (C-570-968).
2. Commerce determined that ASC's boat ladder kit model ESG2 is outside the scope of the order because it contains non-extruded aluminum components beyond fasteners and determined that finished boat ladder model ASC4 is outside the scope of the order because it consists of permanently and fully assembled plastic steps and aluminum extrusion handrails. Therefore, ASC's boat ladder kit model ESG2 and finished boat ladder model ASC4 are not within the scope of the countervailing duty order on aluminum extrusions from the PRC.
3. For all entries of ASC's boat ladder kit model ESG2 and finished boat ladder model ASC4 not within scope that remain unliquidated on or after 11/12/2010, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to ASC's boat ladder kit model ESG2 and finished boat ladder model ASC4 described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of ASC's boat ladder kit model ESG2 and finished boat ladder model ASC4 entered, or withdrawn from warehouse, for consumption on or after 11/12/2010.

6. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is

subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.
