RE: Gap period liquidation instructions for the AD investigation on steel wire garment hangers, from the Socialist Republic of Vietnam for the period 01/30/2013 through 01/31/2013, A-552-812

This instruction constitutes notice of the lifting of suspension of liquidation (see paragraph 5 below).

1. In accordance with section 733(d) of the Tariff Act of 1930, as amended, Commerce shall order the suspension of liquidation of entries of merchandise subject to an antidumping duty investigation and shall order the collection of estimated duties for a temporary period (the provisional-measures period). When entries of subject merchandise continue to be suspended after the close of the provisional-measures period, commerce must instruct CBP to terminate suspension and liquidate entries without regard to antidumping duties on such merchandise.

2. On 01/29/2013, the provisional-measures period expired; suspension of liquidation of entries of subject merchandise may have continued.

3. Accordingly, for suspended entries of steel wire garment hangers from the Socialist Republic of Vietnam that were entered, or withdrawn from warehouse, for consumption during the period 01/30/2013 through 01/31/2013, CBP should terminate the suspension of liquidation and liquidate the entries without regard to antidumping duties (i.e., refund all cash deposits).

4. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.

5. This instruction constitutes notice of the lifting of suspension of liquidation of entries of subject merchandise during the period 01/30/2013 through 01/31/2013.
