RE: Scope determination on antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890)

1. On 12/21/2012, in response to a request by Medline Industries, Inc. ("Medline"), Commerce issued a final scope determination that hospital bed end panel (headboard and footboard) components which Medline imports are within the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890).
2. Because the imported products are covered by the language of the scope which explicitly includes wooden headboards and footboards, including wooden panels composed of fiberboard, such as Medline's headboard and footboard components, Commerce found these hospital bed end panel (headboard and footboard) components to be within the scope of the order.
3. Continue to suspend liquidation of entries of wooden bedroom furniture from the People's Republic of China, including hospital bed end panel components imported by Medline described above, subject to the antidumping duty order on wooden bedroom furniture from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O4:LEA.)
5. There are no restrictions on the release of this information.
