EFFECTIVE DATE: 12/11/2012 COURT CASE #:

PERIOD OF REVIEW: 11/01/2010 TO 10/31/2011

PERIOD COVERED: TO

Notice of Lifting of Suspension Date: 12/11/2012

TO: { Directors Of Field Operations, Port Directors }

FROM: { Director AD/CVD & Revenue Policy & Programs }

RE: Liquidation instructions for Certain Cut-to-Length Carbon Steel Plate from the People's Republic of China for the period 11/01/2010 through 10/31/2011 (A-570-849-006)

1. In its final results of administrative review (77 FR 73616, 12/11/2012) Commerce determined that Hunan Valin Xiangtan Iron & Steel Co., Ltd. ("Hunan Valin") had no shipments of certain cut-to-length carbon steel plate ("CTL plate") from the People's Republic of China ("PRC") during the period 11/01/2010 through 10/31/2011. Therefore, pursuant to the publication of the final results of review (77 FR 73616, 12/11/2012) and consistent with the Department's refinement to its assessment practice in non-market economy cases (76 FR 65694, 10/24/2011), for all shipments of CTL plate from the PRC entered, or withdrawn from warehouse, for consumption under Hunan Valin's assigned case number (A-570-865-006) during the period 11/01/2010 through 10/31/2011, CBP should assess antidumping duties at the PRC-wide entity rate of 128.59%.

2. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 1 occurred with the publication of the final results of administrative review (77 FR 73616, 12/11/2012). Unless instructed otherwise, for all other shipments of CTL plate from the PRC you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

3. There are no injunctions applicable to the entries covered by this instruction.

4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

5. Upon assessment of antidumping duties, CBP shall require that the importer provide a

reimbursement statement, as described in section 351.402(f)(2) of commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the manufacturer, producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.

6. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O4:PO.)

7. There are no restrictions on the release of this information.
