RE: Scope determination on antidumping duty (AD) order on aluminum extrusions from the People's Republic of China (PRC) A-570-967.

1. On November 13, 2012, in response to a request by Plasticoid Manufacturing Inc. (Plasticoid), the Department of Commerce (Commerce) issued a final scope determination that Plasticoid's certain cutting and marking straight edges (cutting & marking edges) which Plasticoid imports are within the scope of the antidumping duty order on aluminum extrusions from the PRC (A-570-967).
2. Because the imported products are aluminum extrusions which are shapes and forms made of an aluminum alloy, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the PRC, including the cutting and marking edges imported by Plasticoid described above, subject to the AD order on aluminum extrusions from the PRC.
