RE: Scope determination - antidumping duty order on certain coated paper suitable for high-quality print graphics using sheet-fed presses from the People's Republic of China (A-570-958)

1. On 09/20/2012, in response to a request by Gold East Paper (Jiangsu) Co. Ltd. (including its subsidiaries Ningbo Zhonghua Paper Co., Ltd. and Ningbo Asia Pulp and Paper Co., Ltd.), Global Paper Solutions, Inc., Pindo Deli Pulp and Paper Mills, PT. Indah Kiat Pulp & Paper Tbk, and Paper Max, Ltd. (collectively "APP"), Commerce issued a final scope determination that APP's playing card products (including blue-center, grey-center, and black-center playing card board) which APP exports are within the scope of the antidumping duty order on certain coated paper suitable for high-quality print graphics using sheet-fed presses ("Certain Coated Paper") from the People's Republic of China ("PRC") (A-570-958).

2. Because of the overlap between the subject merchandise listed in the scope and APP's playing card products in terms of commercial print applications, advertising, and physical characteristics, Commerce found APP's playing card products to be within the scope of the order.

3. Effective 09/09/2011, the date of the scope initiation, CBP shall suspend liquidation of entries of APP's playing card products (including blue-center, grey-center, and black-center playing card board) exported by APP, subject to the antidumping duty order on Certain Coated Paper from the PRC. CBP shall continue to suspend all other subject merchandise of Certain Coated Paper from the PRC.
