Notice of Lifting of Suspension Date: 10/15/2012

TO: { Directors Of Field Operations, Port Directors }

FROM: { Director AD/CVD & Revenue Policy & Programs }

RE: Scope determination - antidumping duty order on certain coated paper suitable for high-quality print graphics using sheet-fed presses from Indonesia (A-560-823).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Gold East Paper (Jiangsu) Co. Ltd. (including its subsidiaries Ningbo Zhonghua Paper Co., Ltd. and Ningbo Asia Pulp and Paper Co., Ltd.), Global Paper Solutions, Inc., Pindo Deli Pulp and Paper Mills, PT. Indah Kiat Pulp & Paper Tbk, and Paper Max, Ltd. (collectively "APP"). Commerce issued a final scope determination on 09/20/2012 that APP's Zenith packaging paperboard (except with a basis weight of 215 grams per square meter ("gsm")) and APP's Sinar Vanda packaging paperboard (except with a basis weight of 210 gsm) which APP exports are not within the scope of the antidumping duty order on certain coated paper suitable for high-quality print graphics using sheet-fed presses ("Certain Coated Paper") from Indonesia (A-560-823).

2. Commerce determined that density and thickness are appropriate physical characteristics for distinguishing coated paper for commercial print applications (i.e., suitable for high-quality print graphics) and coated paper for packaging applications. Specifically, Commerce found that paper that otherwise meets the physical characteristics described in the scope and has a thickness of 310 μm or more and a density of 0.70 g/cm^3 or less is not suitable for high-quality print graphics and, hence, is not covered by the Certain Coated Paper order. Commerce determined that APP's Zenith packaging paperboard (except Zenith with a basis weight of 215 gsm) and APP's Sinar Vanda packaging paperboard (except Sinar Vanda with a basis weight of 210 gsm) are outside the scope of the order because these packaging paperboards have thickness and density parameters that meet the aforementioned criteria. In addition, Commerce determined that these products are clearly marketed as packaging paperboard products. Therefore, APP's Zenith packaging paperboard (except Zenith with a basis weight of 215 gsm) and APP's Sinar Vanda packaging paperboard (except Sinar Vanda with a basis weight of 210 gsm) are not within the scope of the antidumping duty order on Certain Coated Paper from Indonesia.

3. For all entries of APP's Zenith packaging paperboard (except Zenith with a basis weight of 215

gsm) and APP's Sinar Vanda packaging paperboard (except Sinar Vanda with a basis weight of 210 gsm) that remain unliquidated on or after 11/17/2010, CBP shall terminate suspension and liquidate entries of APP's Zenith packaging paperboard (except Zenith with a basis weight of 215 gsm) and APP's Sinar Vanda packaging paperboard (except Sinar Vanda with a basis weight of 210 gsm) which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits and release any bonds relating to the product not within the scope described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of APP's Zenith packaging paperboard (except Zenith with a basis weight of 215 gsm) and APP's Sinar Vanda packaging paperboard (except Sinar Vanda with a basis weight of 210 gsm) entered, or withdrawn from warehouse, for consumption on or after 11/17/2010.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of Certain Coated Paper from Indonesia not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

8. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O1: MK)

9. There are no restrictions on the release of this information.
