RE: Liq instruct for diamond sawblades from Korea produced/exported by Hyosung Diamond Industrial Co., Ltd., Western Diamond Tools Inc., or Hyosung D&P Co., Ltd. for the period 11/01/10-10/23/11 A-580-855

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 3 below.

1. On 04/30/2014, the U.S. Court of International Trade issued a second amended preliminary injunction in court number 06-00248 (see message 4128303, dated 05/08/2014). This second amended preliminary injunction replaces and supersedes a 10/18/2013 amended preliminary injunction (see message 3322307, dated 11/18/2013). As a result of this second amended preliminary injunction, the injunction to which message 1301306 (dated 10/28/2011) refers dissolved on 04/30/2014 with respect to entries which are subject to the antidumping duty order on diamond sawblades and parts thereof from the Republic of Korea for the period 11/01/2010 through 10/23/2011 for all companies.
2. For all shipments of diamond sawblades and parts thereof from the Republic of Korea produced and/or exported by Hyosung Diamond Industrial Co., Ltd., Western Diamond Tools Inc., or Hyosung D&P Co., Ltd. (A-580-855-002), and entered, or withdrawn from warehouse, for consumption during the period 11/01/2010 through 10/23/2011, assess an antidumping liability equal to 120.90 percent of the entered value, pursuant to the amended final results of administrative review (78 FR 46569, 08/01/2013).
3. These instructions constitute the notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 2. Accordingly, notice of the lifting of suspension occurred on the message date of these instructions. The antidumping duty order on diamond sawblades and parts thereof from the Republic of Korea was revoked effective 10/24/2011. However in accordance with a preliminary injunction issued by the U.S. Court of International Trade, for entries of diamond sawblades and parts thereof from the Republic of Korea which were entered, or withdrawn from warehouse, for consumption on or after the effective date of the revocation notice, 10/24/2011, Commerce instructed CBP to continue the suspension of liquidation of such entries without a cash deposit (see message 1307302, dated 11/03/2011).

4. The injunction to which message 1301306 (dated 10/28/2011) refers remains in force and continues to enjoin entries of subject merchandise which are subject to the final determination of the less-than-fair-value investigation published at diamond sawblades and parts thereof from the Republic of Korea, 71 FR 29310 (05/22/2006), and which were entered, or withdrawn from warehouse, for consumption on or after 01/23/2009; except that as of 04/30/2014 the preliminary injunction is dissolved with respect to the following:

(1) any unliquidated entries that entered, or were withdrawn from warehouse, for consumption, on or after November 1, 2010 through October 23, 2011, produced and/or exported by any company.

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
