Notice of Lifting of Suspension Date: 06/27/2014

RE: Antidumping duty scope determination on aluminum extrusions from the People's Republic of China (A-570-967).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Glenmore Industries LLC (Glenmore). Commerce issued a final scope determination on 06/23/2014 that Glenmore's trade booth kits which Glenmore imports are not within the scope of the antidumping order on aluminum extrusions from the People's Republic of China (A-570-967).
2. Commerce determined that Glenmore's trade booth kits, composed of polyester knit fabric-covered aluminum wall panels, fabric covered aluminum headers, aluminum posts (columns), and crossbeams, contain, upon importation, all of the components required and necessary to assemble complete commercial display spaces for use at trade shows, conventions, fairs and similar exhibitions and displays and, thus, constitute finished goods kits that meet the exclusion criteria of the scope. Therefore, Glenmore's trade booth kits are not within the scope of the antidumping order on aluminum extrusions from the People's Republic of China.
3. For all entries of trade booth kits not within the scope, as described above, that remain unliquidated on or after 11/12/2010, CBP shall terminate suspension and liquidate entries of trade booth kits which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to the trade booth kits not within the scope described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of trade booth kits entered, or withdrawn from warehouse, for consumption on or after 11/12/2010.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
