RE: Liquidation instructions for ball bearings and parts thereof from Germany produced by Gebrueder Reinfurt GmbH & Co. KG for the period 05/01/2008 through 04/30/2009 (A-428-201)

1. The administrative review of the antidumping duty order on ball bearings and parts thereof from Germany (A-428-201), covering the period 05/01/2008 through 04/30/2009, has been rescinded with respect to Gebrueder Reinfurt GmbH & Co. KG (GRW).

2. Message 9252204, dated 09/09/2009, ordered the liquidation of entries of merchandise exported and/or sold by GRW and entered, or withdrawn from warehouse, for consumption on or after 05/01/2008.

3. For all shipments of ball bearings and parts thereof from Germany produced by GRW but exported and/or sold by any party other than GRW, entered, or withdrawn from warehouse, for consumption during the period 05/01/2008 through 04/30/2009, entered under case number A-428-201-006 or A-428-201-000, CBP should assess antidumping duties at the cash deposit or bonding rate required at the time of entry.

4. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 3 occurred with the publication of the rescission of review in part (75 FR 22384, 04/28/2010).

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a

reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
