2. If a bond or cash deposit was collected as security for an estimated antidumping duty for any shipment of merchandise described in paragraph 1 that was entered, or withdrawn from warehouse, for consumption during the period 05/26/2011 through 12/06/2011, assess antidumping duty liabilities equal to the amount resulting from the application of paragraph 1 or

equal to the amount of the bond or cash deposit, whichever is less.

3. Entries for the period 11/22/2011 through 12/06/2011, should be liquidated via message 1341303, dated 12/07/2011.

4. Notice of the lifting of suspension of liquidation for entries of subject merchandise covered by paragraphs 1 and 2 occurred with the publication of the amended final results of administrative review (79 FR 35316, 6/20/2014). Unless instructed otherwise, for all other shipments of multilayered wood flooring from the People's Republic of China, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current cash deposit rates or per-unit amounts.

5. The injunction with court number 12-00020 discussed in message number 4135302, dated 05/15/2014, is applicable to the entries exported by Dunhua City Jisen Wood Industry Co., Ltd.; Dunhua City Dexin Wood Industry Co., Ltd.; Dalian Huilong Wooden Products Co., Ltd.; Kunshan Yingyi-Nature Wood Industry Co., Ltd.; and Karly Wood Product Limited during the period 05/26/2011 through 11/30/2012. Accordingly, until further notice, continue to suspend liquidation of these entries until liquidation instructions are issued.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping and/or countervailing duties, CBP shall double the antidumping duty and/or increase the antidumping duty by the amount of the countervailing duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and

doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
