RE: Notice of final determination in the antidumping duty investigation of certain oil country tubular goods from Taiwan (A-583-850)

1. On 07/18/2014, Commerce published in the Federal Register (79 FR 41979) its final affirmative determination of sales at less-than-fair-value (LTFV) in the antidumping duty investigation of certain oil country tubular goods from Taiwan (A-583-850).
2. The products covered by this investigation are described in message 3212304, dated 07/31/2013.
3. This investigation has been assigned investigation number A-583-850.
4. For imports of certain oil country tubular goods from Taiwan, CBP shall suspend liquidation of such shipments entered, or withdrawn from warehouse, for consumption on or after 07/18/2014. Effective 07/18/2014, CBP shall require, for such entries, a cash deposit equal to the margins for the producer and/or exporter listed below:

Producer and/or Exporter: All Others

Case Number: A-583-850-000

Cash Deposit Rate: 2.52%

Producer and/or Exporter: Tension Steel Industries Co., Ltd.

Case number: A-583-850-002

Cash deposit rate: 2.52%

5. If any entries of this merchandise are exported by a firm other than the producer, then the following instructions apply:

A. If the exporter of the subject merchandise does not have its own rate but the producer has its own rate, the cash deposit will be the producer's rate.

B. Where neither the exporter nor the producer currently has its own rate or the producer is

unknown, use the all-others rate of 2.52 percent to establish the cash deposit.

6. Commerce found that no final margin exists with respect to certain oil country tubular goods from the exporter-producer combination listed below. As a result of its preliminary determination of sales at not LTFV with respect to this exporter-producer combination listed below (see 79 FR 10495, dated 02/25/2014), Commerce directed CBP not to suspend liquidation of such entries at that time. See message 4063303, dated 03/04/2014, as corrected by message 4078302, dated 03/19/2014. Accordingly, based on Commerce's final determination of sales at not LTFV, no suspension of liquidation is required for the exporter-producer combination identified below:

Exporter: Chung Hung Steel Corp.

Producer: Chung Hung Steel Corp.

Case Number: A-583-850-001
