RE: Scope determination on antidumping duty order on petroleum wax candles from the People's Republic of China (A-570-504)

1. On 7/23/2014, in response to a request by Hallmark Cards, Inc. ("Hallmark"), Commerce issued a final scope determination that Hallmark's imported Tinker Bell candle is within the scope of the antidumping duty order on petroleum wax candles from the People's Republic of China (A-570-504).
2. The Tinker Bell candle, taken in its entirety, includes wings and a purple rock base adorned with pink and yellow lilies such that it does not fit the figurine exclusion language as a human. Therefore, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of petroleum wax candles from the People's Republic of China, including the Tinker Bell candle imported by Hallmark described above, subject to the antidumping duty order on petroleum wax candles from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
