Notice of Lifting of Suspension Date: 11/17/2014

RE: Antidumping duty scope determination on aluminum extrusions from the People's Republic of China (A-570-967).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Core Industries LLC (dba as Star Trac). Commerce issued a final scope determination on 10/27/2014 that Star Trac's max rack kits which it imports are not within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).
2. Commerce determined that the max rack kits at issue contained, at the time of importation, all of the necessary parts to fully assemble a final finished good (e.g., a fully functioning weight training system) that upon assembly is ready to be used as is and requires no further finishing or fabrication. Therefore, the Department found that the max rack kits constitute finished goods kits that are excluded from the scope of the Order.
3. For all entries of max rack kits not within scope, as described above, that remain unliquidated on or after 11/12/2010, CBP shall terminate suspension and liquidate entries of max rack kits not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to the max rack kits not within the scope described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of the max rack kits not within scope entered, or withdrawn from warehouse, for consumption on or after 11/12/2010.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not

applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties and is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
