RE: Revocation of antidumping duty order, in part, on wooden bedroom furniture from the People's Republic of China (A-570-890)

1. As a result of a changed circumstances determination that there is no interest in certain wall beds being subject to the antidumping duty order on wooden bedroom furniture from the People's Republic of China, the Department of Commerce has revoked the antidumping duty order in part with respect to certain wall beds as described below and published the revocation in the Federal Register on 10/30/2014 (79 FR 64569).

The partial revocation applies to certain wall beds meeting the following description:

Also excluded from the scope are certain enclosable wall bed units, also referred to as murphy beds, which are composed of the following three major sections: (1) a metal wall frame, which attaches to the wall and uses coils or pistons to support the metal mattress frame; (2) a metal frame, which has euro slats for supporting a mattress and two legs that pivot; and (3) wood panels, which attach to the metal wall frame and/or the metal mattress frame to form a cabinet to enclose the wall bed when not in use. Excluded enclosable wall bed units are imported in ready-to-assemble format with all parts necessary for assembly. Enclosable wall bed units do not include a mattress. Wood panels of enclosable wall bed units, when imported separately, remain subject to the order.

2. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of wall beds described above entered, or withdrawn from warehouse, for consumption on or after 01/01/2013. All entries of the revoked product that were suspended on or after 01/01/2013 should be liquidated without regard to antidumping duties (i.e., release all bonds and refund all cash deposits).

3. Notice of the lifting of suspension of liquidation of entries of subject merchandise which are covered by paragraph 2 and entered, or withdrawn from warehouse, for consumption on or after 01/01/2013 occurred with the publication of the notice of revocation in the Federal Register (79 FR 64569, 10/30/2014).

4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
