RE: Initiation of antidumping duty investigation of melamine from Trinidad and Tobago (A-274-806)

1. On 12/09/2014, Commerce published in the Federal Register its initiation of the antidumping duty investigation of melamine from Trinidad and Tobago (79 FR 73037).
2. The merchandise subject to this investigation is melamine (Chemical Abstracts Service ("CAS") registry number 108-78-01, molecular formula C₃H₆N₆). (See Footnote 1.) Melamine is a crystalline powder or granule typically (but not exclusively) used to manufacture melamine formaldehyde resins. All melamine is covered by the scope of this investigation irrespective of purity, particle size, or physical form. Melamine that has been blended with other products is included within this scope when such blends include constituent parts that have been intermingled, but that have not been chemically reacted with each other to produce a different product. For such blends, only the melamine component of the mixture is covered by the scope of this investigation. Melamine that is otherwise subject to this investigation is not excluded when commingled with melamine from sources not subject to this investigation. Only the subject component of such commingled products is covered by the scope of this investigation.

The subject merchandise is provided for in subheading 2933.61.0000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading and CAS registry number are provided for convenience and customs purposes, the written description of the scope is dispositive.

Footnote 1: Melamine is also known as 2,4,6-triamino-s-triazine; 1,3,5-Triazine-2,4,6-triamine; Cyanurotriamide; Cyanurotriamine; Cyanuramide; and by various brand names.

3. This investigation has been assigned investigation number A-274-806.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
