RE: Scope determination on antidumping duty order on porcelain-on-steel cooking ware from the People's Republic of China (A-570-506).

1. On 12/10/2014, in response to a request by the Companion Group, Commerce issued a final scope determination that the Companion Group's rectangular and round drip pans, which the Companion Group imports, are within the scope of the antidumping duty order on porcelain-on-steel cooking ware from the People's Republic of China (A-570-506).
2. Because the imported products: 1) are constructed of steel and are enameled or glazed with vitreous glasses; 2) do not have self-contained electric heating elements; and 3) are used as cooking ware, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of porcelain-on-steel cooking ware from the People's Republic of China, including the Companion Group's rectangular and round drip pans imported by the Companion Group described above, subject to the antidumping duty order on porcelain-on-steel cooking ware from the People's Republic of China.
