RE: Liquidation instructions for helical spring lock washers from the PRC-Wide entity for the period 10/01/2012 through 09/30/2013 (A-570-822)

1. For all shipments of helical spring lock washers from the PRC-Wide entity (A-570-822-000) entered, or withdrawn from warehouse, for consumption during the period 10/01/2012 through 09/30/2013, assess an antidumping liability equal to 189.81 percent of the entered value of subject merchandise.
2. The notice of lifting of suspension of liquidation for entries of subject merchandise covered by paragraph 1 occurred with the publication of the amended final results of administrative review (80 FR 21208, 04/17/2015). Unless instructed otherwise, for all other shipments of helical spring lock washers from the People's Republic of China, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current cash deposit rates or per-unit amounts.
3. The injunction in place for court number 13-00270, referenced in message 3323302, dated 11/19/2013, remains in place. Accordingly, until further notice, do not liquidate entries of AREMA (American Railroad Engineering and Maintenance of Way Association) Washers from the People's Republic of China that: (1) are subject to the U.S. Department of Commerce's final scope ruling on 07/10/2013 (see message number 3200310, dated 07/19/2013); (2) were imported by United Steel and Fasteners, Inc.; and (3) were entered, or withdrawn from warehouse, for consumption between 10/01/2011 through 09/30/2013. Any entries that are set for liquidation must be unset immediately. Continue to suspend liquidation of these entries until liquidation instructions are issued.
4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is

payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

5. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
