RE: Liquidation instructions for certain cased pencils from the People's Republic of China exported by PRC-wide entity for the period 12/01/2012 through 11/30/2013 (A-570-827).

1. For all shipments of cased pencils from the PRC exported by the PRC-wide entity (A-570-827-000) entered, or withdrawn from warehouse, for consumption during the period 12/01/2012 through 11/30/2013, assess an antidumping liability equal to 114.90 percent of the entered value of subject merchandise.

2. In Commerce's final results, 80 FR 26897, 05/11/2015, Commerce determined that the following exporter is no longer eligible for a separate rate and is considered part of the PRC-wide entity:

Exporter: Shandong Rongxin Import & Export Co., Ltd.

Therefore, CBP shall liquidate all entries of cased pencils from the PRC entered under Shandong Rongxin Import & Export Co., Ltd.'s former case number, A-570-827-012, entered, or withdrawn from warehouse, for consumption during the period 12/01/2012 through 11/30/2013 in accordance with the instructions in paragraph 1 above for the PRC-wide entity.

3. The notice of lifting of suspension of liquidation for entries of subject merchandise covered by paragraphs 1 and 2 occurred with the publication of the final results of administrative review (80 FR 26897, 05/11/2015). Unless instructed otherwise, for all other shipments of cased pencils from the PRC, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current cash deposit rates or per-unit amounts.

4. There are no injunctions applicable to the entries covered by this instruction.

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication

of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
