RE: Correction of message 5197312, dated 07/16/2015 concerning the antidumping duty order on Certain Oil Country Tubular Goods from the People's Republic of China (A-570-943)

1. This is a correction to message 5197312, dated 07/16/2015, to correct paragraph 3 of that message.
2. Paragraph 3 of message 5197312 identifies the incorrect period for liquidation. It identifies the period for liquidation as 05/01/2013 through 04/30/2014, but the correct period for liquidation is 05/01/2014 through 04/30/2015. Below is the fully corrected message.
3. Commerce does not automatically conduct administrative reviews of antidumping duty orders. Instead, reviews must be requested pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended, and in accordance with 19 CFR 351.213.
4. Commerce has not received a request for an administrative review of the antidumping duty order for the period and on the merchandise identified below. Therefore, in accordance with 19 CFR 351.212(c), you are to assess antidumping duties on merchandise entered, or withdrawn from warehouse, for consumption at the cash deposit or bonding rate in effect on the date of entry. Liquidate all entries for all firms.

Product: Certain Oil Country Tubular Goods

Country: The People's Republic of China

Case number: A-570-943

Period: 05/01/2014 through 04/30/2015

5. In order to ensure that requisite antidumping entries with a declared country of origin other than the People's Republic of China are and can be properly claimed as subject merchandise, we added additional case numbers to the case reference file in ACE for certain countries. See, e.g., message number 3172303 (dated 06/21/2013) and message number 4049301 (dated 02/18/2014). Because Commerce has not received a request for administrative review of the antidumping duty order on certain oil country tubular goods from the People's Republic of China for the period 05/01/2014 through 04/30/2015, in accordance with 19 CFR 351.212(c) you are to

6. There are no injunctions applicable to the entries covered by this instruction.

7. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by

paragraphs 4 and 5 occurred with the publication of the notice of initiation of administrative review for the 05/2015 anniversary month (80 FR 37588, 07/01/2015). Unless instructed otherwise, for all other shipments of certain oil country tubular goods from the People's Republic of China you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

8. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

9. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping and/or countervailing duties, CBP shall double the antidumping duties and/or increase the antidumping duty by the amount of the countervailing duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
