2. On 07/17/2015 (80 FR 42477), Commerce published in the Federal Register the amended final results of its administrative review of the antidumping duty order on circular welded non-alloy steel pipe from the Republic of Korea. See message 5205304, dated 07/24/2015.
3. As a result of Commerce's amended final results of administrative review, the cash deposit rates have been revised for one company. CBP should calculate the amount to collect by determining the difference between the amount of cash deposit paid as a result of the application of the cash deposit rate in the final results and the amount due as a result of the application of the cash deposit rate in the amended final results.
4. Listed below is the deposit rate that was assigned to one company in the final results of review (see message 5167303, dated 06/16/2015) and the deposit rate that was assigned in the amended final results of administrative review (see message 5205304, dated 07/24/2015):

Producer and/or Exporter: Hyundai HYSCO
