RE: Liquidation instructions for cabinet/drawer handles (aluminum extrusions) from the People's Republic of China imported by IKEA for the period 05/01/2013 through 04/30/2014 (A-570-967)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 4 below.

1. On 02/13/2015, Commerce issued liquidation instructions for aluminum extrusions from the People's Republic of China exported by various exporters for the period 05/01/2013 through 04/30/2014. See message number 5044308, dated 02/13/2015. In paragraph 2c of that message, Commerce stated that on 10/16/2014, pursuant to 19 CFR 351.225(e), Commerce initiated a formal scope inquiry to determine whether cabinet/drawer handles imported by IKEA Supply AG ("IKEA") are outside the scope of the antidumping and countervailing duty orders on aluminum extrusions from the People's Republic of China. Commerce instructed CBP, until further notice, to continue to suspend any suspended entries of IKEA's imports of cabinet/drawer handles until liquidation instructions were issued.

2. On 04/27/2015, Commerce issued a final scope determination stating that IKEA's cabinet/drawer handles, which IKEA imports, are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967). See message 5120303, dated 04/30/2015.

3. For all shipments of cabinet/drawer handles (aluminum extrusions) from the People's Republic of China imported by IKEA and entered, or withdrawn from warehouse, for consumption during the period 05/01/2013 through 04/30/2014, liquidate in accordance with the appropriate exporter-specific liquidation rates contained in message number 5044308, dated 02/13/2015; message number 5355302, dated 12/21/2015; message number 5355303, dated 12/21/2015; message number 5355304, dated 12/21/2015; or message number 5355305, dated 12/21/2015, as appropriate.

4. These instructions constitute the notice of the lifting of suspension of liquidation for entries of subject merchandise covered by paragraph 3. Unless instructed otherwise, for all other shipments

of aluminum extrusions from the People's Republic of China, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current cash deposit rates.

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping and/or countervailing duties, CBP shall double the antidumping duty and/or increase the antidumping duty by the amount of the countervailing duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.

If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
