- One 60" aluminum bottom track, part number 27386
- Two aluminum side jambs, part number 25997
- Six long Philips head screws, part number 25165
- Six toggle wall anchors to mount the shower door kits to bathroom walls, part number 25189
- Four rubber bumpers, part number 25187
- Two captive bumpers, part number 30092
- One injection plastic molded center guide, part number 30658
- One low profile gasket, part number 30115
- Two stainless steel trapping screws
- Two short T-straps, part number 30736
- Two pan head screws
- One set of installation instructions.

3. For all entries of Liberty's shower door kits not within scope that remain unliquidated on or after

09/07/2010, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits and release any bonds relating to Liberty's shower door kits described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Liberty's shower door kits entered, or withdrawn from warehouse, for consumption on or after 09/07/2010.

6. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.
