1. For all shipments of canned pineapple fruit from Thailand produced by Vita Food Factory (1989) Co., Ltd. (Vita) (A-549-813-011), and entered, or withdrawn from warehouse, for consumption during the period 07/01/1999 through 06/30/2000, not covered by message number 2092203, dated 04/02/2002, assess an antidumping liability at the cash deposit or bonding rate in effect on the date of entry. Such entries may also have been entered under A-549-813-000.
2. These instructions constitute notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 1. Accordingly, notice of the lifting of suspension occurred on the message date of these instructions.

4. There are no injunctions applicable to the entries covered by this instruction.
5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date of payment of estimated antidumping duties through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed

antidumping duties, CBP shall double the antidumping duty in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
