RE: Final results of changed circumstances review and revocation of antidumping duty order, in part, on wooden bedroom furniture from the People's Republic of China (A-570-890).

1. Effective 01/01/2014, the Department of Commerce (the "Department") revoked the antidumping duty order on wooden bedroom furniture from the People's Republic of China, in part, with respect to certain bed bases described below in paragraph 2. The Department published the final results of this changed circumstances review and revocation of the antidumping duty order, in part, in the Federal Register on 12/04/2015 (80 FR 75851). In the final results of the review, the Department determined that due to no interest, the bed bases described below in paragraph 2 are not subject to the antidumping duty order on wooden bedroom furniture from the People's Republic of China.

2. The partial revocation applies to certain bed bases meeting the following exclusionary language:

Also excluded from the scope are certain bed bases consisting of: 1) a wooden box frame, 2) three wooden cross beams and one perpendicular center wooden support beam, and 3) wooden slats over the beams. These bed bases are constructed without inner springs and/or coils and do not include a headboard, footboard, side rails, or mattress. The bed bases are imported unassembled.

3. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of bed bases described in paragraph 2 above, entered, or withdrawn from warehouse, for consumption on or after 01/01/2014. All such entries should be liquidated without regard to antidumping duties (i.e., release all bonds and refund all cash deposits).

4. Notice of the lifting of suspension of liquidation of entries covered by paragraph 3 occurred with the publication of the notice of the final results of changed circumstances review and revocation of antidumping duty order, in part, in the Federal Register on 12/04/2015 (80 FR 75851).

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778

requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
