RE: Rescission of NSR for tapered roller bearings and parts thereof, finished and unfinished, from the PRC produced and exported by Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd. (A-570-601)

1. On 02/17/2016, Commerce published in the Federal Register (81 FR 8044) the rescission of the new shipper review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China (PRC), produced and exported by Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd. (A-570-601-040) for the period 06/01/2014 through 05/31/2015. Entries may have come in under A-570-601-000.

2. As a result of Commerce's rescission of the new shipper review, effective 02/17/2016, the case number assigned to the exporter/producer combination identified in paragraph 1 (A-570-601-040) has been deactivated. Future entries of subject merchandise from the exporter/producer combination should enter under A-570-601-000. Furthermore, the option of a bond in lieu of a cash deposit is no longer permitted for shipments of subject merchandise from the producer/exporter combination identified above, which were entered, or withdrawn from warehouse, for consumption on or after 02/17/2016. For such shipments, cash deposits only should be collected at the PRC-wide rate in effect on the date of entry. The PRC-wide rate currently in effect is 92.84 percent.

3. Entries subject to the rescinded new shipper review may also be subject to an administrative review of the antidumping duty order covering the same time period as this new shipper review. Therefore, do not liquidate any entries covered by this review until you have received liquidation instructions.
