1. On 02/17/2016, Commerce published in the Federal Register (81 FR 8044) the rescission of the new shipper review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China, covering the period 06/01/2014 through 05/31/2015, with respect to the exporter/producer combination listed below. Accordingly, assess antidumping duties on this merchandise entered, or withdrawn from warehouse, for consumption during this period at the cash deposit or bonding rate required at the time of entry. Such entries may have been made under A-570-601-000 or other company-specific case numbers.

Liquidate all entries for the following exporter/producer combination:

Exporter: Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd.

Producer: Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd.

2. Notice of the lifting of suspension of liquidation of entries covered by paragraph 1 occurred with the publication of the notice of rescission of new shipper review (81 FR 8044, 02/17/2016). Unless instructed otherwise, for all other shipments of tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China, you shall continue to collect estimated antidumping duties at the cash deposit rates in effect at the time of entry.

3. There are no injunctions applicable to the entries covered by this instruction.

4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated

antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

5. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
