RE: Cash deposit instructions for fresh garlic from the People's Republic of China (A-570-831)

1. Commerce has published in the Federal Register (81 FR 39897) on 06/20/2016 the final results of administrative review of certain exporters subject to the antidumping duty order on fresh garlic from the People's Republic for the period 11/01/2013 through 10/31/2014.

2. As a result of Commerce's review, the following exporter is no longer eligible for a separate rate and is now considered part of the PRC-wide entity. As a result of this determination, effective the date of publication of the final results of review in the Federal Register (see paragraph 1, above), shipments of subject merchandise from this exporter should enter under case number A-570-831-000 and may no longer enter under the case number identified below. Accordingly, Commerce has deactivated the case number listed below in ACE:

Exporter: Qingdao Tiantaixing Foods Co., Ltd. (also known as QTF)

Manufacturer: Qingdao Tiantaixing Foods Co., Ltd. (also known as QTF)

Case Number: A-570-831-040

3. As a result of Commerce's review, the following exporter did not receive a separate rate and continues to be considered part of the PRC-wide entity. As a result of this determination, effective the date of publication of the final results of review in the Federal Register (see paragraph 1, above), shipments of subject merchandise from this exporter should continue to enter under case number A-570-831-000:

Exporter: Hebei Golden Bird Trading Co., Ltd.

4. Accordingly, for shipments of subject merchandise from the exporter/manufacturer identified in paragraph 2 and the exporter identified in paragraph 3 above, entered or withdrawn from warehouse for consumption on or after the date of publication of the final results of review in the Federal Register (see paragraph 1, above), the required cash deposit is \$4.71 per kilogram, the rate applicable to the PRC-wide entity.

5. If any entries of this merchandise are exported by a firm other than the exporters listed above,

the following instructions apply:

A. If the PRC or non-PRC exporter of the subject merchandise has its own rate, use the applicable exporter's rate for determining the cash deposit rate.

B. For all exporters of subject merchandise which have not been assigned to a separate rate, the cash deposit rate will be the PRC-wide rate of \$4.71 dollars per kilogram.

C. For all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter.

6. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise included in this administrative review until assessment instructions are issued.
