RE: Correction of message 6012301, dated 01/12/2016, concerning the countervailing duty order on aluminum extrusions from the People's Republic of China (C-570-968)

1. This is a correction to message number 6012301, dated 01/12/2016, which rescinded the 2013 administrative review for certain companies identified therein (Rescission Message). The Rescission Message included a paragraph, i.e., paragraph 4a concerning Asia Sourcing Corporation, as listed below, and which should be deleted. (Entries of merchandise entered by Asia Sourcing Corporation are covered by message 5313305, dated 11/09/2015 (lifting of injunction message), and therefore, paragraph 4a should not have been included in the Rescission Message.)

Incorrect paragraph 4a in message 6012301:

4a. The injunction with court number 13-00161 discussed in message number 3150302, dated 05/30/2013, is applicable to entries of dock ladder kits ASE, ASH, and DJX3-W imported by Asia Sourcing Corporation and strip door mounting brackets imported by Asia Sourcing Corporation, and which were entered, or withdrawn from warehouse for consumption by Asia Sourcing Corporation on or after 09/07/2010. Accordingly, until further notice, continue to suspend liquidation of such entries until liquidation instructions are issued.

2. The following serves as a copy of message 6012301, dated 01/12/2016, which remains unchanged with the exception of the removal of the paragraph concerning Asia Sourcing Corporation (see paragraph one above), and is provided for CBP's convenience:

1. Commerce has rescinded the administrative review of the countervailing duty order on aluminum extrusions from the People's Republic of China (C-570-968) covering the period 01/01/2013 through 12/31/2013, in part, with respect to the firms listed below. You are to assess countervailing duties on this merchandise entered, or withdrawn from warehouse, for consumption during the period 01/01/2013 through 12/31/2013 at the cash deposit or bonding rate required at the time of entry.

Liquidate all entries for firms listed below.
