RE: Countervailing duty scope determination on Boltless Steel Shelving Units Prepackaged for Sale from the People's Republic of China ("PRC") (C-570-019)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Illinois Tool Works Inc., ("ITW Brands"). Commerce issued a final scope determination on 06/30/2016 that ITW's 3 bicycle racks which ITW imports is not within the scope of the countervailing duty order on Boltless Steel Shelving Units Prepackaged for Sale from the PRC (C-570-019).

2. Commerce determined that ITW's products are outside the scope of the order because two of ITW's bicycle racks require bolts for assembly and the third bicycle rack lacks a horizontal support member designated for a horizontal storage surface such as decks or shelves. Therefore, ITW's bicycle racks are not within the scope of the countervailing duty order on Boltless Steel Shelving Units Prepackaged for Sale from the PRC.

3. For all entries of boltless steel shelving not within scope that remain unliquidated on or after 04/01/2015, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits relating to shoe and utility racks described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of shoe and utility racks entered, or withdrawn from warehouse, for consumption on or after 04/01/2015.

6. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of

estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of boltless steel shelving from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.
