2. As a result of Commerce's review, the cash deposit rate has been revised for the company listed below. Therefore, for shipments of certain preserved mushrooms from India produced and/or exported by the firm listed below, entered, or withdrawn from warehouse, for consumption on or after 09/08/2016, the required cash deposit has been revised:

Himalya International, Ltd.:

Case number: A-533-813-010

Cash deposit rate: 6.61%

3. If any entries of merchandise are exported by a firm other than the producer, then the following instructions apply:

A. If the exporter of the subject merchandise has its own rate, use the exporter's rate to determine the cash deposit rate.

B. If the exporter of the subject merchandise does not have its own rate but the producer has its own rate, the cash deposit rate will be the producer's rate.

C. Where neither the exporter nor the producer currently has its own rate or the producer is unknown, use the all-others rate for establishing the cash deposit rate.

4. For all producers/exporters of certain preserved mushrooms from India without their own rate, the cash deposit rate is 11.30 percent.

5. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise covered by the administrative review until specific liquidation instructions
