RE: Rescission of the new shipper review of the antidumping duty order on certain pasta from Turkey (A-489-805)

1. On 12/01/2016, Commerce published in the Federal Register (81 FR 86701) the final rescission of the new shipper review of the antidumping duty order on certain pasta from the Republic of Turkey (Turkey) covering subject merchandise produced and exported by Durum Gida Sanyı ve Ticaret A.S. (Durum) (A-489-805-010) and covering the period 07/01/2014 through 06/30/2015.

2. As a result of Commerce's rescission of this new shipper review, the option of a bond in lieu of a cash deposit is no longer permitted. For shipments of subject merchandise produced and exported by Durum, which were entered, or withdrawn from warehouse, for consumption on or after 12/01/2016, cash deposits only should be collected at the all-others rate in effect for Turkey on the date of entry. The all-others rate currently in effect is 51.49 percent. Additionally, as a result of Commerce's rescission of this new shipper review, shipments of subject merchandise produced and exported by Durum may no longer enter under case number A-489-805-010 effective the date of publication of the rescission in the Federal Register, 12/01/2016, and thus Commerce has deactivated this case number in ACE. Such merchandise should now be entered under case number A-489-805-000 until such time as the exporter receives its own rate.

3. Liquidation instructions for this company and period will be issued separately. Do not liquidate any entries covered by this review until liquidation instructions are issued.
