RE: Termination of the countervailing duty investigation of circular welded carbon-quality steel pipe from Pakistan (C-535-904)

1. On 12/16/2016, the International Trade Commission (ITC) published in the Federal Register its negative final determination in the countervailing duty investigation of circular welded carbon-quality steel pipe (circular welded pipe) from Pakistan (C-535-904) (81 FR 91199). The countervailing duty investigation of circular welded pipe from Pakistan has been terminated.

2. CBP should discontinue the suspension of liquidation of entries of merchandise which were entered, or withdrawn from warehouse, for consumption on or after 04/08/2016 (the date of first suspension of liquidation of subject merchandise). Entries should be liquidated without regard to countervailing duties. All estimated countervailing duties deposited on entries of the subject merchandise shall be refunded and bonds or other security released.

3. Notice of the lifting of suspension of liquidation of entries of merchandise entered, or withdrawn from warehouse, for consumption on or after 04/08/2016 (the date of first suspension of liquidation of subject merchandise) occurred with the publication of the ITC's notice of negative final determination of investigation (81 FR 91199, 12/16/2016).

4. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.

5. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquires through authorized CBP channels only. (This message was generated by O7:KMW.)

6. There are no restrictions on the release of this information.
