RE: Correction of message 4051301, dated 02/20/2014, Liquidation following ITC notification of material injury or threat of material injury for utility scale wind towers from the PRC for before 02/13/2013

1. This is a correction to message 4051301, dated 02/20/2014, to correct the header.
2. The header of message 4051301 contained an incorrect date of notice of the lifting of suspension of 02/18/2014. Instead the notice of lifting of suspension date should have matched the date of the message, 02/20/2014.
3. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only.
4. There is no restriction on the release of this information.
