RE: Correction of message 0287216, dated 10/13/2000, re. revocation of the order on dynamic random access memory semiconductors (DRAMs) of one megabit and above from the Republic of Korea (A-580-812)

1. This is a correction to message 0287216, dated 10/13/2000.
2. Message 0287216 omitted instructions directing CBP to also terminate the suspension of liquidation of shipments of DRAMs from Korea exported from third countries. Below is the fully corrected message.
3. As a result of a five-year ("Sunset") review, the Department of Commerce has revoked the antidumping duty order on dynamic random access memory semiconductors ("DRAMs") (A-580-812) of one megabit and above from the Republic of Korea and published the revocation in the Federal Register on 10/05/00 (65 FR 59391). The effective date of the revocation is 01/01/2000.
4. Therefore, Customs is directed to terminate the suspension of liquidation for all shipments of dynamic random access memory semiconductors ("DRAMs") of one megabit and above from the Republic of Korea (A-580-812) entered, or withdrawn from warehouse, for consumption on or after 01/01/2000. All entries of the subject merchandise that were suspended on or after 01/01/2000 should be liquidated without regard to antidumping duties (i.e. release all bonds and refund all cash deposits, with interest.) Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
5. Additionally, Customs is directed to terminate the suspension of liquidation for all shipments of dynamic random access memory semiconductors ("DRAMs") of one megabit and above from the Republic of Korea, exported through third countries, as listed below, entered, or withdrawn from warehouse, for consumption on or after 01/01/2000.
