RE: Revocation of antidumping duty order, in part, on Aluminum Extrusions from the People's Republic of China (A-570-967).

1. As a result of a notification from the petitioner, the Aluminum Extrusion Fair Trade Committee (AEFTC), that it is no longer interested in certain rectangular wire subject to the antidumping duty order on Aluminum Extrusions from the People's Republic of China, Commerce has revoked the antidumping duty order in part with respect to certain rectangular wire as described below and published the revocation in the Federal Register on 01/06/2014 (79 FR 634).

2. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of certain rectangular wire produced from continuously cast rolled aluminum wire rod, which is subsequently extruded to dimension to form rectangular wire. The product is made from aluminum alloy grade 1070 or 1370, with no recycled metal content allowed. The dimensions of the wire are 5 mm (+/- 0.05 mm) in width and 1.0 mm (+/- 0.02 mm) in thickness. Imports of rectangular wire are provided for under HTSUS category 7605.19.000. All entries of the revoked product that were suspended on or after November 12, 2010, should be liquidated without regard to antidumping duties (i.e., release all bonds and refund all cash deposits).

3. Notice of the lifting of suspension of liquidation of entries of subject merchandise which are covered by paragraph 2 and entered, or withdrawn from warehouse, for consumption on or after November 12, 2010, occurred with the publication of the notice of revocation in the Federal Register (79 FR 634, 01/06/2014).

4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
