6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. 7. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping

duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
