RE: Scope determination on antidumping duty order on certain steel nails from the People's Republic of China (A-570-909)

1. On 09/19/13, in response to a request by Cobra Anchors Co. Ltd. ("Cobra"), Commerce issued a final scope determination that Cobra's zinc drive nail anchors ("zinc anchors") which Cobra imports is within the scope of the antidumping duty order on zinc anchors from the People's Republic of China ("PRC") (A-570-909).
2. Because the imported product is listed as an example of subject merchandise by the International Trade Commission, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of zinc anchors from the PRC, including zinc anchors imported by Cobra described above, subject to the antidumping duty order on certain steel nails from the PRC.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
