Notice of Lifting of Suspension Date: 04/16/2014

TO: { Directors Of Field Operations, Port Directors }

RE: Antidumping duty scope determination on hand trucks and certain parts thereof from the People's Republic of China (A-570-891).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Sperian Eye and Face Protection, Inc., a subsidiary of Honeywell International, Inc. (Honeywell). Commerce issued a final scope determination on 03/31/2014 that Honeywell's mobile eyewash station cart which Honeywell imports is not within the scope of the antidumping duty order on hand trucks and certain parts thereof from the People's Republic of China (China) (A-570-891).
2. Commerce determined that Honeywell's mobile eyewash station cart is outside the scope of the order because its projecting edge or toe plate cannot slide under a load for purposes of lifting and/or moving the load. Therefore, Honeywell's mobile eyewash station cart is not within the scope of the antidumping duty order on hand trucks and certain parts thereof from China.
3. For all entries of Honeywell's mobile eyewash station cart not within scope that remain unliquidated on or after 05/24/2004, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to Honeywell's mobile eyewash station cart described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Honeywell's mobile eyewash station cart entered, or withdrawn from warehouse, for consumption on or after 05/24/2004.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not

applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of hand trucks and certain parts thereof from China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
