For shipments of tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China exported and produced by the following company and entered, or withdrawn from warehouse, for consumption on or after 07/30/2013, a bond or other security deposit is permitted, at the importer's option:

Exporter: Shanghai Tainai Bearing Co., Ltd.

Producer: Shanghai Tainai Bearing Co., Ltd.

Case number: A-570-601-036

Deposit rate: 92.84 percent

The option to post a bond or other security deposit may only be made available to the exporter and producer in the combination identified above. The PRC-wide rate currently in effect is 92.84 percent.

4. In accordance with T.D. 85-145, at the discretion of CBP, CBP officers may accept either a single-entry basic importation and entry bond or a continuous basic importation and entry bond only if the amount of the estimated antidumping or countervailing duty is less than five percent ad valorem (or the equivalent). Otherwise, where the importer has the option to post a bond for estimated antidumping or countervailing duties, CBP officers must require a single-entry basic importation and entry bond pursuant to T.D. 85-145. You are instructed to adhere to the

requirements of T.D. 85-145 with respect to these bonding requirements.

5. Unless instructed otherwise, for all other companies identified in ACE, the cash deposit rate is the rate provided therein.

6. For all other exporters of tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China which do not have a specific rate in ACE, the cash deposit rate continues to be 92.84 percent.

7. The option of a bond in lieu of a cash deposit will remain in effect for imports of subject merchandise exported and produced by the entities identified in paragraph 3 until publication of the final results of the new shipper review.
