RE: Scope determination on antidumping duty order on certain pasta from Italy (A-475-818).

1. On 07/18/2013, in response to a request by Valdigrano di Flavio Pagani S.r.L., (Valdigrano) Commerce issued a final scope determination that Valdigrano's product which is made from a dough that contains 2.5 percent egg white, by weight, and which Valdigrano produces and exports is within the scope of the antidumping duty order on certain pasta from Italy (A-475-818).
2. Because the imported product contains less than two percent egg white content, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of certain pasta from Italy, including Valdigrano's pasta exported by Valdigrano described above, subject to the antidumping duty order on certain pasta from Italy.
