RE: COUNTERVAILING DUTIES - KLEATHER WEARING APPAREL-  
FROM MEXICO (C-201-001)

1. The Department of Commerce published in the Federal Register on June 4, 1991 the final results of its administrative reviews of the countervailing duty order on leather wearing apparel from Mexico. The review covers the period January 1, 1988 through December 31, 1988 and January 1, 1989 through December 31, 1989.

2. Imports covered by the reviews are shipments of Mexican leather wearing apparel. These products include leather

coats and jackets for men, boys, women, girls and infants, and other leather wearing apparel products including leather vests, pants and shorts. Also included are outer leather shells and parts and pieces of leather wearing apparel. Throughout 1988, such merchandise was classifiable under Tariff Schedules of the United States Annotated (TSUSA) item numbers 791.7620, 791.7640, and 791.7660. During the 1989 review period these products were classifiable under item numbers 4203.10.4030, 4203.10.4060 and 4203.10.4090 of the Harmonized Tariff Schedule (HTS).

3. The net subsidy was found to be de minimis for the period January 1, 1988 through December 31, 1988, and de minimis for the period January 1, 1989 through December 31, 1989.

#### ACTION

4. Accordingly, you are to liquidate entries without regard to countervailing duties shipments of Mexican leather wearing apparel exported on or after January 1, 1989 through December 31, 1989.

#### INTEREST INFORMATION

5. The assessment of Antidumping Duties by the Customs Service on entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930. Section 778 requires that Customs pay interest on overpayments, or assess interest on underpayments, of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated Antidumping Duties before the date of publication of the Antidumping Duty order. Interest shall be calculated from the date of payment of estimated Antidumping duties through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue code of 1954 for such period.

6. The suspension of liquidation ordered for this merchandise exported on or before December 31, 1989 is lifted.

Suspension of liquidation for entries of this merchandise exported by any company other than Manufacturas Industriales de Nogales (MINSA) on or after January 1, 1990 will continue. With regard to MINSA, we are revoking the countervailing duty order and, therefore, terminating the suspension of liquidation requirement as of January 1, 1990.

7. Customs officers shall waive cash deposits of estimated countervailing duties on all shipments of this merchandise entered, or withdrawn from warehouse for consumption on or after June 4, 1991. This cash deposit waiver will remain in effect until the final results of the next administrative review of the countervailing duty order on this merchandise.

8. If there are any questions regarding this matter by Customs officers, please contact Via E-mail, through the Regional Antidumping\Countervailing Duty Coordinator, the Trade Compliance Division Antidumping\Countervailing Duty Branch, using attribute "HQ OAB". The importing public and other interested parties should contact the Office of Countervailing Compliance, Import Administration, International Trade Administration, Department of Commerce, (202) 377-2786.

8. There are no restrictions on the release of this information.
